Budapest, 07th May 2018.

Dear Donators,

Thank you for promoting the work of our charity society through your in kind donation (huge amount of clothes) and financial support (24.525 HUF, that is, twenty-four thousand five hundred and twenty-five Hungarian Forints)!

Your support and painstaking volunteer work was a great help in ensuring proper care for our appr. 150-200 clients a day in Fűtött utca (Heated street, 1086 Budapest, Dankó street 15.).

At the same time, our social workers also do street work in the 5th district of Budapest, every day of the week.

We do this work believing that it is possible to help any of our clients in restoring normal and dignified living conditions.

Your support and assistance in this work is substantial indeed!

On behalf of my colleagues and clients I ask for God's blessing upon your lives!

Thank you, yours sincerely:

Gábor Iványi

president of Oltalom Charity Society
