

# Safely book months in advance

Booking on our platform is 100% safe and scam-free.

When your booking is confirmed, you pay one month's rent plus a small service fee (25% of the rent).

We won't transfer the money to the advertiser until 48 hours after you move in, giving you enough time to check the room. Full refund guaranteed if the room is not as advertised.

## Get VIP access and book even faster

As a partner university student, you receive these perks:

—  
New room alerts in your inbox before anyone else.

—  
A shiny badge that qualifies you as a reliable tenant.

—  
Extra help from our Customer Solutions team during your search.

## It's super easy!

Go to your [University Sign Up Link](#) and follow these steps:

If you haven't received it email us at: [VIP@housinganywhere.com](mailto:VIP@housinganywhere.com).

1. Fill in the form and directly receive a VIP access.
2. Choose a place on the platform and text the advertiser.
3. Confirm your booking and worry no more!

## List your room for free

Rent out your room to an incoming student while you're away and move back in when you return! This way you can avoid paying for two rooms.
