How do we work?

Finding the right property for you

Property Search

- We contact you in person or virtually to assess your needs.
- We will offer you the right property from our corporate network.
- Finding the right property for your needs on the market (offers from our partners and other sources from the real estate market).
- Finding off-market properties - properties not yet advertised and properties currently under negotiation that offer you a competitive advantage.
- "Longlist" - an extended list of 4-5 properties that match your needs.
- "Shortlist" a shortlist of your preferred properties, arranging viewings.

How do we work?

Assist you along the way

Personal Assistance

- Personal representation, and professional advice at the viewing.
- Provision of a valuation of the selected property to help you make a decision.
- Rental contract reviewing and personal representation when concluding the rental contract.
- If necessary, we can recommend other professionals (lawyer, cleaner, interior decorator, etc.).

Cost: 790 Euro The fee is to be paid in advance.

Everyone deserves an excellent doctor,
lawyer and real estate broker.
